## Potential Judge?

**Interested in giving back? In helping grow the next generation of health professionals. We need you!**

HOSA's Competitive Event Program could not be a success without the support from partners and friends who will serve as event judges for over 8,000 expected competitors at this year's Virtual International Leadership Conference. With nearly 50 different judging opportunities and over 400 judge slots to fill, we greatly appreciate your willingness to assist. You do not need a clinical healthcare background to judge – experience with interviewing, presentations, evaluating teamwork, and speaking skills are needed as well. Click here for more information <https://hosa.org/judges/>

## Agenda

All competitive events will take place June 23 - 25, 2021. More information coming soon once the exact schedule is finalized. <https://hosa.org/virtualce/>

## Advisor Assignments

With the change to a virtual ILC, the event personnel to help manage competitive events from each chartered association will look slightly different. Each Chartered Association can expect to provide an Event Manager, Section Leaders, and most likely Timers as well who will all support virtual competitive events over Zoom.

## Chapter Registration Process

<https://hosa.org/registration/>

Chartered associations should direct chapter advisors to hosa.org for conference registration. Registration is integrated with affiliation; therefore, chapter advisors will login the same way they do for online affiliation. The following steps should be followed to complete the online International Leadership Conference Registration:

1. Go to [www.hosa.org](http://www.hosa.org) and select the Login in the upper right-hand corner and enter your charter number and password.
  2. Under the Conferences tab, click on the block for the 2021 Virtual International Leadership Conference.
  3. To begin registration, click the red Plus Sign (top of page) or the blue Register Members button (bottom of page). To register affiliated members, click the blue Register button to the left of each student/advisor name enter in the correct information and click Save. Follow the process for each conference delegate.
    - Be sure to select the correct registration type, options/activities, and competitive event for each student member. Remember members may only register for one competitive event and up to four ATC tests.
    - Team Events: To register competitors for a team event, follow these instructions:
      - o Click Register next to the first competitor team member
      - o Select their competitive event from the drop-down list
      - o You will see a box asking for teammate's names - leave this blank - you will link all other teammates to this team member

- **IMPORTANT: When registering members, you must include a valid email and cell phone address that will be accessible in June. If the student will not have access to a school email address, please provide another email address. DO NOT use the advisor's email address.** The email and cell phone number will only be used for competitive events. You must also include a valid mailing address for each student so that any finalist medallions may be shipped directly to the student. We do not recommend using a school mailing address in case mail is not checked over the summer months.
