

AREA 3 NEWSLETTER

November Edition

FLC Recap:

Our area 3 members participated in multiple breakout sessions throughout the day engaging in team building sessions (trials of thunder), learning about the different officer roles, learning about different health professions, causes of multiple health organizations, and even participating in yoga lessons!

We were lucky enough to have Jennifer Sanaz who has been with Be The Match since 1991 and has worked with recruitment, donor education, collection, and courier logistics

The conference raised 101 dollars through our bracelet fundraiser!

SPIRIT AWARD WINNER

ROCK HILL HS

SLC INFORMATION

SLC: The spring leadership conference is set to be in person at Lake Highlands Highschool and activities such as unity games and selfie stations will be held for members to build connections with each other between competition rounds.

The keynote speaker is planned to be someone who balances inspiration and entertainment and increases engagement through talking about life changing experiences or paradigm shifts that they had that led to them discovering their thunder.

MEDICAL FUN

Virtual Concierge: Due to COVID-19, a virtual concierge involves AI care navigation assistant that helps patients find a clinic or physician, answers questions, schedules appointments, and even screens for COVID-19 symptoms.

Virtual Reality: VR has been helping patients through a variety of things such as cognitive behavioral therapy, meditation training, clinical and medical documentation support, and telemedicine.

Artificial Intelligence: Innovations in AI for healthcare involve technologies such as Lignite, which helps with cardiac risk diagnosis.

As we approach the end of November, officer candidate applications and testing for competitive events is coming to a close. Here are some deadlines and tips for each!

Officer Candidate Applications
