FALL LEADERSHIP CONFERENCE RECAP

Area 5's Fall Leadership Conference was held in Aledo, Texas, and it was still a success! Thank you to all of you who attended. We truly loved meeting you and are grateful to have seen your participation in our breakout sessions. Hopefully, you had a great time meeting like-minded students, took advantage of the chance to dive deeper into healthcare, and made some great HOSA memories!

"AREA 5 IS LIVE"

SPIRIT STICK AWARD

An immense amount of spirit was demonstrated by the chapters that attended FLC, but the one that showed the most energy and enthusiasm was *Central High School!*

Remember to grab all of your hot pink items to show your Area 5 spirit at the Spring and State Leadership Conference. We are looking forward to seeing who will be the next winner of the spirit stick award!

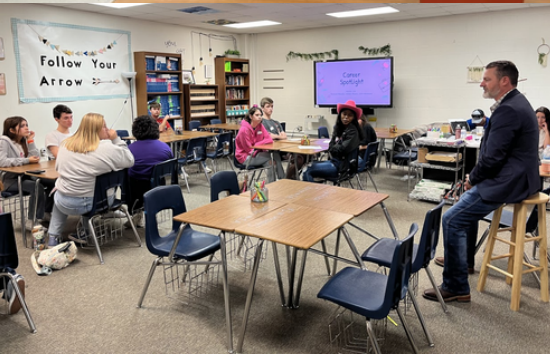

BE THE MATCH AWARD

The officers cannot thank you enough for helping our national service project held through Be The Match. At FLC, we raised a whopping total of \$243 from selling our “Excel In Your Passion” tattoos to go towards our project. Although many chapters bought our tattoos, the chapter that contributed the most was *Copperas Cove High School*!

In your own chapters, please continue to help Be The Match by hosting fundraisers and registry drives. Some places you can host these events include the following: football games, 5k walks, restaurants, parks, and even car washes!
