

# HOSA AREA 6 FALL NEWSLETTER

## Get to Know Your Officers:

### Samhita Anapu - Area 6 President

Hey, HOSA members! I am a senior at Tomball Memorial High School. I wish to make SLC the best possible experience for each of you. After I graduate, I want to become a Pediatric Surgeon and install better health care facilities in underprivileged countries.

### Kendall Boutte - Area 6 Vice President

Hey, I'm Kendall Boutte! I am a senior at La Porte High School and through HOSA, I have gained amazing friendships, leadership skills, and exciting experiences. After graduation, I want to be a Nurse Anesthetist.

### Andrea Martinez - Area 6 Secretary

Hi, I'm Andrea Martinez. I am a senior at Pasadena Memorial High School and this year, I hope to create great conferences for all HOSA members and continue to encourage a strong leadership development.

### Stephanie Mendoza - Area 6 Historian

Hello, I'm Stephanie Mendoza. I am a senior at Pasadena Memorial High School. Through pictures, I hope to capture and unveil all the existing events and innovative activities done by HOSA Area 6 members. After graduating, I want to be an Ophthalmologist.

### Sameeha Sarwar - Area 6 Reporter

Hello, I am Sameeha Sarwar and I am a senior at Tomball Memorial High School. I hope to inspire more people to become involved in HOSA to explore the medical field. After graduation I hope to be a Pediatrician.

## Fall Leadership Conference Recap:

On October 20th HOSA members from all over Area 6 gathered at the 2018 Fall Leadership Conference at Sam Rayburn HS. Not only was it a success, HOSA members broke the Area 6 history books by making this FLC the largest ever with over 950 attendees! A special thank you to Dawn Zachman for coming from Florida to speak on behalf on NPCF. The crowd was very moved and raised over \$200 for NPCF.

## Fabulous Fundraiser Idea:

Shout out to Pasadena Memorial High School for raising a whopping \$1,000 for the National Pediatric Cancer Foundation. Principal, Mr. Jeremy Richardson, agreed to shave his head during lunch if they could raise over \$1000 to support Pediatric Cancer research.
