ADDISON HUMPHREYS

VICE-PRESIDENT
LEONARDO GONZALEZ

REPORTER
NATALIE RUIZ

Why should you join HOSA?

HOSA gives students opportunities to explore healthcare careers, develop leadership skills, participate in competitive events, serve their communities, and connect with other future health professionals.

- Membership Deadline: November 15, 2026

Interested in becoming an Area 7 Officer?

Applications open December 1, 2026, and all application information can be found in Section E of the Texas HOSA Handbook. Take the opportunity to lead, serve, and empower your future!

Upcoming: Online Testing

Dates to Remember!!
November 15: Affiliation Deadline
November 25: Online Testing Registration Deadline
December 4: Fee Payment Due
December 8–10: All Areas Testing
Testing Hours: 7:00 AM–5:00 PM CT
Mark your calendars and make sure to prepare!

What you need to know about our Fall Leadership Conference!

Our FLC theme is Empower Your Future!
The deadline to register for FLC is October 7th!
Get ready for a day filled with leadership, service, teamwork, and healthcare inspiration!

Our keynote speaker is Antonio Martinez Jr., CMD, a Certified Medical Dosimetrist specializing in cancer care.
Antonio Martinez Jr. will share his healthcare experience and provide insight into the field of medical dosimetry and cancer care.

Our HOSA Service Project will be HOSA Frescas!
Join us for a fun service activity that brings HOSA members together while giving back to our community.
Come ready to serve, collaborate, and make an impact!

Your Officers will also lead 2 sessions throughout the conference.

- How to become an Area Officer
  - Learn about the Texas HOSA officer election process, officer responsibilities, and what it takes to run for office. Members will participate in activities and discussions to help them prepare for future leadership opportunities.
- Team-building Activities
  - Build communication, teamwork, and leadership skills through fun, interactive games! (e.g. ZipZapZop and 5 Things)

<3, Your Area 7 Officers!
