

## AREA 7 AUGUST NEWSLETTER

### *It's time for* **HOSA**

As Area 7 HOSA officers, we plan to make HOSA your dream come true and the most memorable experience. We will be planning fun and interactive fundraising events, as well as posting weekly updates on our socials on new things to come. To continue the leadership tradition set in place, we plan to recruit at least 15 officer applicants for the year of 2022-2023.

**Alejandro  
Partida**

## UPCOMING EVENTS

### *What is FLC and Why FLC?*

### *Fall Leadership Conference*

Fall Leadership conference is an event for HOSA members as a tool for motivation and to showcase the countless opportunities that HOSA has to offer from competitive events, to learning how to become a HOSA officer, as well as service opportunities. This years Fall Leadership Conference Theme will be "Empower those around you". We want our members to feel at home during their events and competitions. Area 7 is a family and there is nothing we want more than for our members to feel supported and at ease during their HOSA year. Empower those around you is an all inclusive statement that serves as one of our missions for the upcoming year.

### Things to look forward to at FLC

This years service project is "Be The Match". Be The Match is a non-profit organization dedicated to discovering a cure for blood cancers like leukemia and lymphoma. Over the past 30 years, Be The Match as became the most diverse marrow registry in the world.

### National Immunization Awareness month

National Immunization Awareness Month is held annually in August to emphasize the importance of vaccination. Vaccination is vital for people of all ages. The goal of NIAM is to reduce the rate of child mortality, disabilities, and morbidity that is preventable with immunization. Let's protect our citizens of Texas and encourage all people to get their COVID vaccine and Influenza vaccine. These vaccines are available at most pharmacies. Get vaccinated today!

## *Alumni spotlight*

To the left we have these amazing ladies! Angelica Montes and Brianna Boughter. With hard work and team effort, they managed to place 1st on CPR skills and First AID. The girls attended medical professions and were partners all four years of high school for the HOSA event- CPR/ First AID.

## *CPR/ First AID*

Some things to know about the competitive event CPR/ First AID is competitive event that consists of two rounds- testing and skill assessment. The goal of this competitive event is to 'inspire members to be proactive future health professionals and be equipped with the skills to provide immediate, lifesaving actions in the absence of emergency services.
