Area 7, it's time for HOSA!

As Area 7 HOSA officers, we plan to make HOSA your dream come true and the most memorable experience. We will be planning fun and interactive fundraising events, as well as posting weekly updates on our socials on new things to come.

Sping Leadership Conference

At SLC, we will be celebrating HOSA and its amazing members who were able to advance to the second stage of their competitive event.

"What will be happening at SLC?" you may ask. Well, HOSA members will be able to do their skills assessments tests and officer candidates will be interviewed. After all of the interviews and competitions are completed, slated officer candidates and members who placed in their competitive events skills assessment will be announced to come up on stage and be celebrated. SLC will be held in Lyndon B Johnson High School, Laredo TX on January 21-22, 2022.

Online Testing & Dates

Online testing begins soon Area 7! STUDY STUDY STUDY for your exams, and prepare for skills assessments if you place in your competitive event.

FLC Recap:

Area 7 Fall Leadership Conference was one for the books. We were able to capture memories and increase the HOSA hype for online testing and the competitive events HOSA has to offer. Your fellow HOSA officers were able to deliver fun and effective lessons through team-building games and presentations about how to become a HOSA Area officer. Experienced healthcare workers were able to present their careers and their day-to-day routine. Last but not least, we had a special guest of honor: Janet Villareal, Texas HOSA Executive Director. Thank you to all who were able to attend and make FLC an unforgettable experience.

HOSA SERVICE PROJECT

This year's HOSA Service Project was "Be The Match"; a non-profit organization dedicated to discovering a cure for blood cancers like leukemia and lymphoma. Over the past 30 years, 'Be The Match' has become the most diverse marrow registry in the world. At FLC, Area 7 was able to raise \$814.39. We couldn't have done this without your support. Thanks to your contributions we are able to donate to "Be The Match". Now every one of you is part of the amazing efforts the organization strives for.

THANK YOU!

SLC Social

At Spring Leadership Conference, we want every member to have a moment of relaxation as well as time to get to know each other. As the Area 7 social, Kona Ice will be provided to all members who wish to munch on some deliciously flavored shaved Ice.

Applying to be an Officer

To continue the leadership tradition set in place, we plan to recruit at least 15 officer applicants for the year 2022-2023. Don't miss the opportunity to run for HOSA office. By running and being slated to HOSA office, you will have the honor and privilege to represent all Area 7 HOSA members, as well as planning leadership conferences. Keep this quote in mind: "When you are called to lead, you are called to advance, move forward, and improve the situation."-

Once Again...

Thank you to all of the AMAZING Area 7 HOSA members. Without you, Area 7' wouldn't be able to accomplish the amazing thing it has so far. We encourage you to study for your exams and skills assessment! See you soon as SLC!
