**12/3/2020 Are there any rules against students who are remote competing in HOSA competitions?**

No. Any student who is affiliated with HOSA can participate in competitive events. It does not matter if they are in-person or remote learners.

**12/3/2020 Are competitors required to take the online tests at school?**

No. Online tests can be taken anywhere on a desktop, laptop, tablet, or phone. Tests are open book/open note and competitors should not collaborate with other people. Team members in the team events should not collaborate with each other. Each competitor should take the test on his/her own.

**12/2/2020 How many students can I register per event for the 2021 virtual conference?**

Information can be found in the Advisor Handbook, Section H, page 4-5 or in the chart below.

1. Competitors must be a member of STATE and INTERNATIONAL HOSA to compete in any event.
2. CURRENT Competitive Event Guidelines will be followed for all area and state competitive events.

Each CHAPTER may enter the following number of competitors for AREA conference:

Health Science Events	Four students per event
Health Professions Events	Two students per event
Emergency Preparedness Events	Two students for individual events Two teams per team event
Leadership Events	Two students per event
Teamwork Events	Two teams per event
Recognition Events	Unlimited entries
State Events	Medical Art Poster: Four posters per chapter Blood Drive: One entry per chapter
Officer Candidates	Four candidates per chapter

All chapters may enter unlimited numbers in special needs events at the area level.

**12/2/2020 ADMINISTRATORS ARE ASKING WHY THE CONFERENCE FEE INCREASED FROM \$5.00 TO \$15.00 FOR THE ONLINE TESTS?**

Because this year's area conferences are virtual, the online tests are a part of the conference where all events are offered. Normally, online testing is in December and those with the highest three test scores automatically qualify to compete at the state conference (except for Medical Spelling and all events where there is a round two). The fee for the test was \$5.00. In the virtual conference, the test is given as part of the conference, and the competitor is receiving a conference t-shirt.

Last year, the fee for the in-person conference was \$30 so Texas HOSA has actually managed to decrease the conference fee for this year.

**12/1/2020 CAN A ROUND TWO HOSA BOWL TEAM'S COMPETITION DATE AND TIME ON ZOOM BE CHANGED DUE TO CONFLICTS?**

No. To be fair to all teams, the dates, and times for teams to compete on Zoom cannot be changed. Round two of HOSA Bowl is a live, bracketed event and teams must compete at a specific time for the progression through the event to work.
