 - Very specific directions for the Recorded Video Presentations have been created. Read this information in detail [HERE!](#)
- Teams will also submit: 1-3 photos of their display. The photos the team takes are at the team's discretion and should highlight the display in the best possible way. **Be sure the judges can read what is on the display.**
- Each team will submit: 1) Link to video of presentation; 2) 1-3 photos of Display; 3) Reference Page.
- **The photos and reference page must be uploaded as a single document, pdf preferred,** by only **ONE** member of the team to the Health Career Display event opportunity on Tallo – following the instructions outlined on the [HOSA/Tallo Instruction Page](#). This team member should also upload the link to the video presentation to Tallo, These uploaded materials will be sent to the judges on behalf of the team.
- Uploads must be complete by March 3. The uploaded materials are what the judges will use to score competitors.
- If you do not upload your team materials, there is no content to be judged, therefore no score will be given. Judges will receive materials on March 3 so if you miss the March 3 deadline your material will not be sent to the judges.
- **Pro Tip #1: Practice uploading your links to Tallo prior to the March 3 deadline.** You can upload materials to the event opportunity in Tallo, and then delete/edit/re-upload materials up until the March 3 deadline.

- **Pro Tip #2: Do not wait until the last day to upload.** Try to upload your materials before the deadline. If something goes wrong, you have time to troubleshoot!
- **Pro Tip #3: Be sure your pdf file opens and your video link works!** If judges cannot open the file or access the video, they cannot evaluate them. Also, judges should not have to get permission to access your materials.
