- Each team will record a video of its presentation for judges (the one they normally would give in person)
  - Very specific directions for the Recorded Video Presentations have been created. Read this information in detail HERE!
- Teams will also submit: 1-3 photos of their display. The photos the team takes are at the team's discretion and should highlight the display in the best possible way.
- Each team will submit: 1) Link to video of presentation; 2) 1-3 photos of Display; 3) Reference Page.
- The photos and reference page must be uploaded as a single document, pdf preferred, by only ONE member of the team to the Health Career Display event opportunity on Tallo – following the instructions outlined on the HOSA/Tallo Instruction Page. This team member should also upload the link to the video presentation to Tallo, These uploaded materials will be sent to the judges on behalf of the team.
- Uploads must be complete by January 13. The uploaded materials are what the judges will use to score competitors.
- If you do not upload your team materials, there is no content to be judged, therefore no score will be given. Judges will receive materials on January 13 so if you miss the January 13 deadline your material will not be sent to the judges.
- Pro Tip #1: Practice uploading your links to Tallo prior to the January 13 deadline. You can upload materials to the event opportunity in Tallo, and then delete/edit/re-upload materials up until the January 13 deadline.
- Pro Tip #2: Do not wait until the last day to upload. Try to upload your materials before the deadline. If something goes wrong, you have time to troubleshoot!
