GUIDELINE MODIFICATIONS - View Rubric [HERE](#)

- All competitors will record a video of their presentation for judges (the one they normally would give in person)
 - Very specific directions for the Recorded Video Presentations have been created. Read this information in detail [HERE!](#)
- Teams will submit: 1) Link to video presentation and 2) the portfolio
- **The completed portfolio must be uploaded as a single document, pdf preferred, by ONE member of the team to the MRC Partnership event opportunity on Tallo – following the instructions outlined on the [HOSA/Tallo Instruction Page](#).** These uploaded materials will be sent to the judges on behalf of the team.
- Uploads must be complete by March 3. The uploaded materials are what the judges will use to score competitors.
- If you do not upload your team materials, there is no content to be judged, therefore no score will be given. Judges will receive materials on March 3, so if you miss the March 3 upload deadline, your material will not be sent to the judges.
- **Pro Tip #1: Practice uploading your links to Tallo prior to the March 3 deadline.** You can upload materials to the event opportunity in Tallo, and then delete/edit/re-upload materials up until the March 3 deadline.
- **Pro Tip #2: Don't wait until the last day to upload.** Try to upload your materials before the deadline. If something goes wrong, you have time to troubleshoot!
- **Pro Tip #3: Be sure your pdf file opens and your video link works!** If judges cannot open the file or access the video, they cannot evaluate them. Also, judges should not have to get permission to access your materials.

TECHNOLOGY NEEDS

- Competitors will need to upload their materials to Tallo – a smartphone, tablet, or computer are needed to upload.
