GUIDELINE MODIFICATIONS: View rubric [HERE](#)

- Teams will record a video of their presentation for judges (the one they normally would give in person)
 - Very specific directions for the Recorded Video Presentations have been created. Read this information in detail [HERE](#)!
- Each team will submit: 1) Link to video of presentation; 2) Link to PSA video; 3) Reference Page; 4) Copyright forms; 5) Airdate form
- **ONE** team member will upload a video of the presentation and the link to the PSA to Tallo. This team member should also **upload the three (3) forms as a single document, pdf preferred** to the Public Service Announcement event opportunity on Tallo – following the instructions outlined on the [HOSA/Tallo Instructions Page](#). These uploaded materials will be sent to the judges on behalf of the team.
- Uploads must be complete by March 3. The uploaded materials are what the judges will use to score competitors.
- If you do not upload your team materials, there is no content to be judged, therefore no score will be given. Judges will receive materials on March 3 so if you miss the March 3 deadline your material will not be sent to the judges.
- **Pro Tip #1: Practice uploading your links to Tallo prior to the March 3 deadline.** You can upload materials to the event opportunity in Tallo, and then delete/edit/re-upload materials up until the March 3 deadline.
- **Pro Tip #2: Do not wait until the last day to upload.** Try to upload your materials before the deadline. If something goes wrong, you have time to troubleshoot!

- **Pro Tip #3: Be sure your pdf file opens and your video link works!** If judges cannot open the file or access the video, they cannot evaluate them. also, judges should not have to get permission to access your materials.
