Recognition

- Health Care Issues Exam

State

- Officer Exam

Health Professions Events / Emergency Preparedness/ Leadership Events

Each chapter may register two competitor/team for these events. The top 10 competitor/team scorers from each Area will advance to AREA Spring Leadership Conference competition for Round 2 (skills) of the event. Following Area Competition, the top three competitors will advance to State Competition.

Teamwork Events

Each chapter may register two team per event in teamwork event. Each member of the team will take an individual test. All members of the team must test at the same time. The online testing system tracks the time each team member is logged into the system. All team members must take the test within one (1) hour of each other. The top 10 team raw scores from each Area will advance to area competition for Round 2 of the events. The top 8 HOSA Bowl Teams and the Top 8 Teams of Biomedical Debate Teams will be seeded at Area Conference. Following Area Competition, the top 3 teams will advance to State Competition.

Recognition

Each chapter may register unlimited competitors for the Health Care Issues Exam. The top percentage from each area will advance to State Leadership Conference.

Officer Testing

Each chapter may register four members for online officer testing. All candidates must take the Area Officer Exam Online. Those candidates scoring 70% or higher will advance to AREA for Credentialing. If an officer candidate is endorsed as a State/National Officer, those candidates will take the State Officer Exam on site at the State Leadership Conference.

Cost

The cost for online testing (including health care issues exam) is \$5.00 per online test.

Competitors who advance to Area Spring Leadership Conference from Online Testing will have to register online and submit the registration fee required to attend that conference by set deadline. Refer to conference memos for dates.

Competitors who qualify for the Texas HOSA Spring Leadership Conference will receive a medal and be recognized for their event at the Spring Leadership Conferences.

***Qualifiers for State do not have to attend the Spring Leadership Conference.*

Once a student is registered for an online test (regardless if they take the test and regardless of if they pass the test), they are **INELIGIBLE** to register in any other competitive event. Exceptions will be made for substitutions. Students **ARE ELIGIBLE** to register as voting delegates, courtesy corps.

PREPARING FOR ONLINE TESTING

Advisors

Secure a testing site on your campus that will accommodate the number of students you will be testing each day of the testing window

Secure a Non-HSTE / HOSA Testing Proctor. This person will receive the secure password from HOSA, T.A. to log your students into the system when they report to test. Suggestions include campus librarian, counselor, administrator, etc.

Advisor may not be proctors.

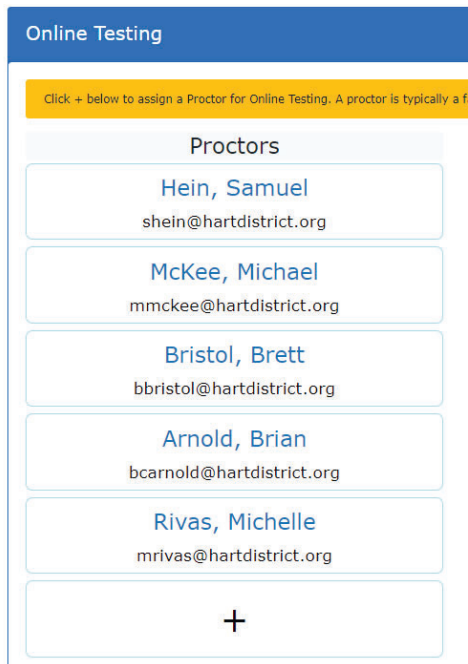

Affiliate your chapter(s) and competitors with HOSA by November 15, 2022.

Proctors for Online Testing

Registering Proctors

Log into apps.hosa.org as Chapter

1. Dashboard will show
2. Scroll down to Online Testing
3. First you need to check to make sure the proctor email is updated. Here is how to do that:
- 4.

5. A list of proctors that you have used in the past or are planning to use this school year will appear here.
6. To add a Proctor, Click the + button

The image shows a web form titled "Proctor" with a close button (X) in the top right corner. The form contains three input fields: "Firstname", "Lastname", and "Email". Below the "Email" field is a blue "Save" button. The form is set against a light gray background.

Generating your Invoice

The invoice will not be automatically emailed to the advisor. HOSA Advisors should log in and print their own invoice. Please see the image below. If more students are added to the initial conference registration, a separate invoice for those added students should be generated and an updated invoice by the advisor.

The screenshot shows a web application interface for managing conference registrations. At the top, there is a navigation bar with a triangle icon, a menu (Membership, Conferences, Reports, Help), and user information (2021 Virtual Texas Area 6 Conference, Logout (21)). Below the navigation bar, a dropdown menu is open for "2021 Virtual Texas Area 6 Conference Registrations for".

The main content area is divided into two sections:

- Registration Summary:** A table with the following data:

Attendees	Options/Activities	Events	Amount Due	Amount Paid	Balance
49	49	62	\$735.00	\$0.00	(\$735.00)
- Registrations:** A table with columns: ID, Name, Type, Registration Details and Fees, and Total Fee. A context menu is open over the first registration (ID: 1233985), listing options: "Generate Invoice for Recent Registrations", "Invoice #99456747", and "Registration Summary".

At the bottom of the interface, there is a dark navigation bar with a "View" dropdown, a "Reports" dropdown, and two buttons: "Register Members" and "Register Family/Guest/Other".

Online Testing Instructions:

Participant:

Test Taking Instructions

- Read each question carefully.
- Make sure you select an answer for every question.
- Be mindful of the timer and give yourself enough time to check your work.
- Once you begin the test, do not navigate away from the test page for any reason. If you do, you may not be able to complete the test.
- If for some reason your test doesn't look like it submitted, please notify the proctor immediately, you may have to retake the test if this should happen.
- Do not use the back arrow only scroll up or down

Proctor Instructions:

- Proctor Reminders
 - All students scheduled to take a particular test are strongly encouraged to do so at the same time.
 - Team members should be separated while taking tests. The test portion of the competition is not meant to be done as a team.
 - Students are **not** allowed to look at notes or talk to other students during testing.
 - Advisors are **not** allowed to see testing materials.
 - Try to have access to a phone during testing in case you need to contact Texas HOSA with questions.
- Before students enter the testing room, please have all of the test computers already on the testing site:
<https://apps.hosa.org/>
- *All Competitors from the same campus, testing in the same event must test on **the same day and time** or their test will be voided.*

Announce to the competitors:

As Future Health Professionals, HOSA members are held to a higher standard regarding their ethical behavior as a competitor.

- HOSA members are expected to follow HOSA rules and act honorably and ethically always.
- Plagiarism, copyright violation and falsification of information is inconsistent with the culture of future health professionals. Any attempt to gain an unfair advantage is unacceptable and will not be tolerated.
- Violators of the ethics rules will be severely penalized and may lead to forfeiture of any award received during the 2022 Online Testing.

- HOSA members may not consult with other members, advisors or parents during the testing period.
- HOSA will take the necessary steps to protect the integrity of test administration.

Each of you will take a separate test today. You should not be sitting next to another competitor or team member for the same event. Please listen carefully and do not jump ahead. Doing so could cost you time or result in your disqualification

Using the access information available below, you should now login all of the students to the test. This interface will refresh every 60 seconds to show you the status.

Once logged in, the students cannot do anything until you click BEGIN TEST for each test. When a test begins successfully, it will show in your Test Administration History on this page.

As soon as you see the test in your history, announce to the competitors:

*You may now click BEGIN TEST to start the test. You will see a timer on the lower right portion of your screen. It should be accurate, but I will announce the time remaining when it is approaching the end of the test. If you have any problems during the test, please raise your hand. Once you have finished the test by clicking Submit, please check with your proctor before you may leave the room. *

Before you panic and call the online testing hotline, try to troubleshoot the issue yourself if you receive a message like: "Access Denied" or "Your login attempt was unsuccessful".

- ✓ Are you typing the ID and password EXACTLY the way it was written in the email. Remember the letters are case sensitive.
- ✓ Are you logged in on the right day?

If you have questions or difficulties, please contact Janet Villarreal at janet.villarreal@texashosa.org or call Texas HOSA at 1-877-728-0150
