GUIDELINE MODIFICATIONS

- The round one test will take place online. Go to **testing.hosa.org** to access the testing system. Login credentials will be emailed to local advisors for distribution to the students.
- Tests can be taken on a smartphone, tablet, or computer. All tests are open book/open note.
 - Please click [HERE](#) for online testing instructions.
- Tests will be open for a 9-hour window. You can login to test anytime in this window.
- For team events (EMT, CPR, CERT), all team members must login to start testing within 60 minutes of the first team member to login to the test. Tests will be time stamped and HOSA will be monitoring to ensure all team members comply.
- No round two skill demonstrations will be done. Instead all skill events will have two open-ended scenario/essay questions that will be judged in case of a tie. Competitors will be

asked to type their responses to these questions as part of the online test. No additional time will be added to the test. Individual scores will be averaged to determine placement on team tests.

- Personal Care and Life Support Skills have been moved to a test since no skill demonstrations will be offered. The test for Personal Care will use the existing resources for Nursing Assisting and the test for Life Support Skills will use the existing resources for CPR/First Aid. The time limit will be 90 minutes for 50 questions.

TECHNOLOGY NEEDS

- Tests can be taken on a smartphone, tablet, or computer.
- If you have any issues logging in, accessing online testing, or if you did not receive your password and login information via email by March 4, please call the CE Help Line 1-877-728-0150 or email texashosa@texashosa.org **immediately!**

SECURITY & ETHICS

- All competitors are required to review the 2021 Virtual Texas HOSA State Conference Security and Ethical Statement found [HERE](#).

DRESS CODE

- As Future Health Professionals, HOSA members should present themselves in a professional manner for all recorded video presentations and/or live events as part of the 2021 Virtual Texas HOSA State Conference; however, dress code bonus points will not be awarded this year.
