

# WORKFORCE INITIATIVES: myCVS Journey...

Pathways to Healthcare Careers

CVS Health is much more than a pharmacy – we’re helping people on their path to better health. If you’re interested in a career in health care, our Workforce Initiatives: myCVS Journey...Pathways to Healthcare Careers program is designed to help you achieve success. Whether you’re college bound or already attending college, this unique career training program might be a perfect fit for you.

## How can I qualify for the myCVS Journey program?

- Students enrolled in high school (grades 10-12) and college students are eligible.
- Students with an aptitude for science and math, as well as a commitment to academic and personal achievement are preferred.
- Applicants will be interviewed by CVS Health Managers (in partnership with your school) to determine who will partake in the 6-8 week career-training program.\*

## What will I learn through the myCVS Journey program?

- Discover diverse health care career opportunities offered throughout CVS Health as well as throughout the health care industry.
- Gain valuable educational and hands-on work experience as you build practical skills.
- Receive one-on-one mentoring by CVS Health Associates.

## What can I expect after the myCVS Journey program?

- Successful high school interns will be considered for part-time CVS Health Associate positions while they pursue higher or continued education.
- Student associates who demonstrate the required academic proficiency may be eligible for higher education tuition assistance.
- College-level interns and graduates will be considered for full-time CVS Health Associate positions with a competitive salary and our Total Rewards benefits package.

\*Actual length of the career-training program is subject to individual school curriculums and schedules.

For more information about the CVS Health Workforce Initiatives career-training program and how you and your school or agency can participate, please send inquires to [WI.Info@CVSCaremark.com](mailto:WI.Info@CVSCaremark.com).
