OPENING AND CLOSING CEREMONIES DRESS

It is the responsibility of each advisor to help ensure that EACH of their student delegates understands the conference dress policy PRIOR to arriving at the conference.

Please remind your student delegates that they have signed a HOSA Conduct Code that states that they will adhere to the new dress code policy for all general sessions. There should be no misunderstanding that when the student delegate tries to seek admission to the general session and does not adhere to the new dress policy that he/she will not be admitted.

DRESS CODE

Remember, professional dress is required at opening and closing ceremony. Students are not to wear, denim, jeans, hats, flip flops, tennis shoes, spaghetti straps, strapless tops and dresses, leggings, short skirts, t-shirts, etc. This also applies to courtesy corps, and students wearing scrubs and EMT uniforms. Knowing that students participating in courtesy corps and certain skills events don't necessarily dress in professional business attire, those students will need to change into appropriate dress for opening and closing ceremony. Students who manage to get in wearing inappropriate dress are not allowed on stage when their name is called. It is difficult to name every possible situation we may encounter when comes to inappropriate dress so please explain to your students what business attire entails
