# YouTube Video Instructions

Tell us about yourself! You have two minutes via YouTube video to introduce yourself, tell us how HOSA is helping to “Define Your Purpose!” and why you want to be a Texas HOSA Officer! The YouTube video may be taped at a location of your choosing and must include only you speaking. Use the two minutes however you wish to introduce yourself to the Texas HOSA Membership and Nominating Committee.

Applicants may receive instruction in taping, editing and post-production from an outside source, however, the work should be directed by the applicant. The video will be best viewed if it is filmed horizontally; audio clear and recorded at a high quality volume.

This should not be a campaign speech nor mention the officer position you are seeking! This is a chance for the Texas HOSA Membership and Nominating Committee to get to know you as one of its applicants. Your video may be used during the Opening Ceremony of the Area Spring Leadership Conference or during one of the General Sessions of the State Leadership Conference.

**Please submit your YouTube video link through STEM Premier by the appropriate conference registration deadline!**

3. Start early to prepare. 90% of successful speaking is determined by how well you have thought through what you are going to say.
4. Make an outline that includes:
  - a. Introduction – start with something strong and relevant to get their attention (story, quote, fact)
  - b. Body – include what is important to your audience and how you can serve their needs as well as your credentials
  - c. Conclusion – summarize/reinforce the central theme and end with a clincher statement
5. Practice in front of the mirror, friends, parents, and the class. Effective speeches should never be read. Use note cards only for key points to keep you on task.
6. Deliver with purpose and power! The presentation is more important than the words spoken. First impressions are powerful, so dress appropriately and walk with crisp precision. Use good eye contact, posture and hand gestures. Speak with conviction and enthusiasm. Vary the tone of your voice, rate and volume. Speak clearly, enunciate and smile!
7. Stay relaxed! Manage nervousness by taking deep breaths prior to the speech, pause and smile at the audience before speaking, and limit caffeine prior to speaking.
8. Contact a current officer! The best resource in preparing for the credentialing process is to talk with a current HOSA, TA officer. They have a wealth of knowledge and experience to share!
