	TEAMWORK EVENTS	
29	Biomedical Debate	Top 8 Teams will advance to Area
30	Creative Problem Solving	Top 10 Teams will advance to Area
31	Forensic Science	Top 10 Teams will advance to Area
32	HOSA Bowl	Top 8 Teams advance to Area. 2 alternate teams will advance to Area if needed
33	Parliamentary Procedure	Top 10 Teams will advance to Area
	RECOGNITION EVENTS	
34	Healthcare Issues Exam	% of top scorers will advance to state

Upon completion of online testing the top Competitors will be posted

Please Note: The following rules are Texas HOSA event rules. Numbers of competitors advancing in Texas HOSA are different from HOSA.

Health Science Events:

The online competitors from each area with the three highest test scores will advance to state conference with the exception of Medical spelling. The online competitors in Medical Spelling with the 15 highest test scores will advance to area.

Health Professions & Emergency Preparedness Events:

The competitors/teams with the 10 highest online test scores will advance to their area conference for round two. The sum of the written test score and the skill score will be used to determine final ranking. In order to be ranked, students/teams **must** score a minimum of 70% of the total possible skill score.

The Epidemiology competitors with the three highest online test scores from each area will advance directly to state conference.

The Public Health teams with the 10 highest scores after round one will advance to round two for the full presentation.

Leadership Events:

The Healthy Lifestyle competitors with the 10 highest online test scores will advance to the area conference for round two.

All other competitors in this category will compete at the area conference.

Teamwork Events:

-
With the exception of Biomedical Debate and HOSA Bowl the teams with the 10 highest online test scores will advance to the area conference for round two.

In Biomedical Debate the teams with the eight highest online test scores will advance to the area conference for round two.

In HOSA Bowl the teams with the eight highest online test scores will advance to area conference for round two. The teams with the ninth and tenth online test scores will be considered alternates.

Recognition:

Only Outstanding HOSA Chapter will compete at area conference. Health Care Issues Exams will test online and the numbers of testers advancing to state conference will be determined by the number of testers in each area will State Competition

A written test will be administered at the state conference for those events that include a round one test.

The individuals/teams with the 10 highest test scores will advance to round two with the exception of Medical Spelling.

The competitors in Medical Spelling with the 15 highest test scores will advance to round two.

The HOSA Bowl teams with the eight highest test scores will advance to round two.

Students must meet the minimum requirements to be recognized during the awards session. The 5 highest scoring competitors will be recognized, and the 1st, 2nd, and 3rd place winners will advance to International Leadership Conference.

To qualify for recognition at the Grand Awards Assembly, the following guidelines apply:

- **Health Science Event**
Competitors must score at least 50% of total possible test Score
- **Health Professions & Emergency Preparedness Events**
The competitor must score at least 70% of total possible skill score (The written test will be used as a qualifier and will be added to the skill score for the final ranking.)
- **Leadership Events**
All competitors will be ranked.
- **Teamwork Events**
All competitors will be ranked.

5. Other Competition Considerations

- A. Students must compete and place first-third at the area level to be eligible for state competition. Area advisors of first, second, or third place winners are responsible for contacting the HOSA, TA Executive Director as **soon as it is known** that your student is not be attending. This will allow the fourth-place competitor (first alternate) and/or the fifth place competitor (second alternate) to advance.
- B. Area and state conference registration must be submitted by the conference deadline. **NO REFUNDS will be made after the pre-conference registration deadline.** If you have ~~not~~ been **unable** to access your conference information 6 weeks prior to conference date, call the Executive Director, Janet E. Villarreal (877-728- 0150) immediately for

assistance. There are NO valid excuses for registering late. A \$25.00 per person late fee will be imposed after the registration deadline for State Leadership Conference.

- C. NO new students will be added to any event after the registration deadline. Substitutions may be made only for team events after the registration deadline and those substitutions may be made only with students that are current International HOSA members. No more than 50% of an original team may be substituted. Team substitutions may be made only until the close of on-site conference registration. All teammates must be a member of the same HOSA chapter.
- D. Competitors must attend the scheduled event orientation which follows event competitor check in at the area and state conference or a loss of points may be the result. A proxy is not allowed at area or state conference.

At ILC, failure to attend the event orientation may result in the loss of ten (10) points. Registered participants must attend the scheduled orientation session at the International Leadership Conference for the event in which they are competing. Check guidelines for events allowing a proxy. A proxy may be an advisor or student who is qualified to communicate to the competitor the information shared at the orientation. A completed proxy form is required. At least one (1) team member must attend the orientation for team events. When a team member is representing others on a team, he/she must bring a completed proxy form. All competitors must be present at the orientation for those events in which the orientation includes Round One or other event component.

- E. Competitors are required to wear the HOSA uniform or professional business attire to all orientations. Bonus points for proper attire will be assessed by the Event Manager. For Health Profession events and Emergency Preparedness events, students may wear the proper attire for the skill event. A total score of either 5 or 0 will be added once to the tally sheet and become part of the composite score. Five (5) Bonus points will be awarded to competitors for bringing a copy of current guidelines for their event (Area and State). Electronic copies will be allowed.
- F. If at any time during a competitive event, the student feels a major rule infraction has occurred, the student must immediately bring this to the attention of the Event Manager for evaluation prior to the conclusion of the competitor's event time.
- G. The decisions of the judges are FINAL. If the competitor is not satisfied with the event and wants to offer constructive suggestions or wishes a situation to be evaluated by the Board of Directors, the Inquiry Form must be used. The inquiry form must be returned to Tabulation within two hours after the conclusion of the event.

- I. Skill demonstrations in all skill events will be stopped at the end of the time limit even if the competitor has not completed the procedure.
- J. Competitors may be denied points by the judge if they do not have the required materials or equipment needed for the selected procedure(s) as specified in the International Competitive Event Guidelines. They may also be denied points for using equipment that is not listed in the Competitive Event Guidelines. Equipment/supplies will NOT be checked prior to the competition, with the exception of Extemporaneous Health Poster equipment.
- K. The competitive events program is managed by local advisors for AREA, STATE, and International competition. For area and state, advisors will sign up for an assignment on the AVACC system which is part of the conference registration. **If the advisor is unable to attend, he/she must find another advisor to fulfill the duties** and notify the area board member in charge of monitoring assignments.
- L. The event manager is responsible for obtaining and becoming familiar with the current Competitive Event Guidelines (Section B) for his/her assigned event.
- M. Competitors are responsible for obtaining, and reviewing the current competitive event guidelines for his/her respective competition.
- N. Keeping with HOSA guidelines, no rating sheets will be returned after competition.
- O. Although HOSA is curricular and an integral part of the Health Science Technology curriculum, the Competitive Events program is considered extracurricular in regard to rules for student participation eligibility [Texas Education Code, Subchapter D, Sec. 33.081 (c)].
- P. ALL HOSA students, advisors, and chaperones will complete and sign the Code of Conduct/Code of Ethics and Medical Liability Form and copies, along with a verification form must be turned in by the advisor during onsite registration for area & state conferences. For ILC, forms must be sent with the registration to the executive director who submits them to International HOSA.
- Q. The required ratio for adult supervision of students is 1 adult sponsor approved by the school district (who is not a HOSA Board of Directors member) per 10 students for all HOSA activities.

Add this statement. The student must present current valid photo identification prior to commencing any HOSA-related competitive event, including online testing. These include state/government-issued or school ID. It is acceptable for a student to show a photo of their Driver's License or Photo ID on his/her cell phone. Unacceptable forms of identification are: personal identification from advisor, picture from Instagram, Facebook or any other social media outlet. Students will not be allowed to participate without a proper ID listed above.

- R. Ethics and Integrity: As future healthcare professionals, HOSA members are held to a higher standard in regard to their ethical behavior as competitors. HOSA members should follow the national rules and act with honor at all times. Plagiarism or copyright violation is prohibited. Any attempts to lie, cheat, or gain an unfair advantage will not be tolerated.
- S. Texas HOSA will allow study materials in event holding rooming, on buses and in similar locations. Electronics are allowed but must remain off at all times. Please be sure to turn OFF your cell phones or smart/electronic device, including watches, during events. They need to be placed face down on the table in front of you, or left in your belongings. HOSA is not responsible for loss or damage to electronic devices during competition. If the cell phone makes any noise or vibrates during the event, penalty points may be assessed

REASONABLE ACCOMMODATION STATEMENT

HOSA members with disabilities will be reasonably accommodated in Area, State and National competitive events through event modification as a means of providing them an equal competitive opportunity. Such members may be allowed to provide and utilize special equipment that HOSA may not be able to provide. Requests for reasonable accommodation must be indicated on the HOSA Leadership conference registration form and submitted by the deadline date.

ADVISOR GUIDELINES FOR STUDENTS

1. Students should make a commitment to attend and compete prior to the registration deadline. **No refunds will be given after the conference registration deadline!**
2. Secure all permission forms, Medical Liability Release forms, and Code of Conduct forms. Each advisor should bring original signed forms to Area and State Conference and turn in copies of these forms at onsite registration.
3. Advisors should carry a list of their students' cell phone numbers at all times.
4. It is recommended that you have your student's write your cell phone number on the back of their conference name badge so they will have a way to contact you at all times, even if they are at an off-site testing area.
5. At the on-site conference check-in, you may make substitutions for team events ONLY. Substitutions may be ONLY made with current HOSA members.
6. Orient your students to appropriate behavior for the hotel and general sessions.
 - Review safety features in the room. Make sure students know not to hang anything on the water sprinklers. Use auxiliary locking devices on doors and windows.
 - Use the door viewer to identify anyone requesting entry.
 - Find the nearest emergency exit and discuss the procedure to be used if a fire alarm is sounded.
 - Select a place to meet with your students in the event there is an alert of any kind at any time of the day.
 - Report any suspicious activities in the corridors or rooms.
 - Always travel in groups – preferably of three or more.
 - Be wary of strangers who seem overly anxious to help you.
 - Carry only the cash you need in small denominations.
 - Report lost or stolen items to your advisor and hotel management.
7. Orient your students as to protocol and dress for general sessions.
8. Student participation in this conference implies their desire to improve qualities that will enable them to serve more effectively as a leader in their local chapter and community. It is assumed that their purpose in attending is serious and that their conduct will reflect the leadership responsibility that they have accepted. The advisor is responsible for student conduct, so please advise students of the following rules:
 - All students and advisors should attend all scheduled sessions.

- Students must be accompanied by an advisor on all trips to places of interest outside the hotel. NO STUDENT IS TO BE LEFT AT THE HOTEL WITHOUT A DESIGNATED ADVISOR / CHAPERONE.
- Students must be in their hotel room by curfew.
- Participants must observe safety precautions in all activities.
- No alcoholic beverages, tobacco products, or illegal drugs are permitted during travel or while participating in a school-sponsored activity.
- Conduct which is detrimental to purposes of the meeting may result in disciplinary action and the member being removed from the remainder of the conference.
